

SET OF 2 LIGHT BROWN WOOD ACCENT TABLES

DESCRIPTION:

A set of two accent tables that feature a see-through glass top mounted on a wooden base. The base features overlapping wooden slats that add a touch of posh to it. Finished in a natural, light-brown tone that highlights the character and grain of the wood, the base contributes just as much to the visuals as it does to the stability. The tables see an open bottom, which means you can personalize as per your liking from the inside. With wood and glass accents, this set looks fabulous in spaces based on the design styles.
